

7 Money Lessons We Wish We Knew in our 20s

(Swipe Left)

1) PUT YOUR MONEY TO WORK.

You cannot get rich with your money in a savings account.
You must invest in appreciating assets:

- Businesses
- Real Estate
- Stocks

2) AMOUNT OF MONEY RETAINED MATTERS.

It is not the amount of money you make, it's the amount of money you keep that matters.

3) ACQUIRE ASSETS.

Rich people acquire assets while
poor accumulate liabilities.
Your financial choices will
determine your future.

4) YOU ARE NOT BORN TO WORK FOR OTHERS.

This is almost a form of slavery.
You are not here just to work, pay bills and then die.
You were born for much more than that!

5) GAIN FINANCIAL KNOWLEDGE.

Learn about investing, online business, stocks, taxes, sales & others. It will help you to make overall better financial decisions.

6) WINNING MEANS NOT BEING AFRAID TO LOSE.

Never be afraid to take calculated risks.

Those who always play it safe never make big fortunes.

7) DREAM BIG & BE READY TO WORK HARD.

You must be willing to sacrifice a few years of fun for a lifetime of freedom. The time is now!
